

Parent Policy and Procedure Agreement

I have read and agree to follow the following policies: (Parent initials for each policy)

_____ Health and Safety Procedures

_____ Cleaning and Disinfecting Procedures

_____ Emergency Health Policy/COVID Illness Policy

Our program has taken several steps to implement recommended guidelines and protocols issued by local, state and federal Public Health Agencies for slowing the transmission of COVID-19. The undersigned acknowledges and agrees that: the program may revise its procedures at any time based on updated recommended guidance and protocols issued by said local, state and federal Public Health and Regulatory Agencies, and further agrees to comply with the program's revised procedures while working in the facilities. The undersigned further acknowledges and agrees that, due to the nature of the facilities and services offered, social distancing of 6 feet per person among children and their caregivers in a childcare setting is not possible. I understand that the program will be following social distancing and other procedures to ensure that children and families are coming into a safe and clean environment daily. Despite the program's heightened efforts to mitigate such dangers, exposure to COVID-19, for my child or a member of my family may happen. I hereby release the program from any liability as a result and will not sue the program or any staff member affiliated with the program, should my child or a member of my family contract this virus.
